Exclusively Serving Distributors

Our unique distributor commitment outperforms all other providers across Canada.

- New products only.
- Canada's largest inventory of circuit breakers and related electrical products across brands.
- Same-day shipping from distribution facilities in Toronto, Edmonton, and Vancouver, supported by 11 additional warehouses.
- Proprietary technology that integrates our inventory across all locations.
- \$25 million product liability protection.
- Industry-leading technical support across all major brands.
- Two-year comprehensive warranty on all products.

SAME DAY SHIPPING

Across Canada from our three geographically strategic locations in Toronto, Edmonton and Vancouver
