WITH ONE FOCUS:
HELPING DISTRIBUTORS THRIVE

➤ *Dedicated to a strong, capable distribution channel to make Canada's electrical infrastructure an example for the world.*

Canada's Electrical Distributors are Dealer Source's only customers for good reason. Only you have the expertise, commitment and resources to truly support your contractor and end-use customers. It takes more than a search engine to find the best solution.

Think of Dealer Source as an extension of your company, sharing the commitment and supporting you with Canada's largest inventory of circuit breakers and critical power components.

**WE LEAD CANADA'S
"NEED IT NOW" SUPPLIERS:**

- Largest inventory by far – one-stop-shopping
- Canada's leading fill rate enables you to consolidate purchases and save
- 13 warehouses ready to ship at a moment's notice
- Experienced product experts help solve problems and find the right solution
- Everything, unsupported equipment to the latest releases

Trust the supplier that trusts Distribution as the best solution for breakers and critical power components. Call **866.811.9023** or email sales@dealersourceinc.com for the people, products and commitment you need, all in one place. **We're the real deal for distribution.**
